The Board considers that such increase in

loss is mainly attributable by (1) a decrease in dividend income expected to be recorded by the Group for the Financial Year of approximately HK\$0.43 million ; (2) the loss on net change in fair value of financial assets of approximately HK\$5.55 million expected to be recorded for the Financial Year as compared with the gain on net change in fair value of financial assets of approximately HK\$1.35 million recorded by the Group for the corresponding year ended 31 December 2020 as a result of the recent downturn in financial market; and (3) such result was partially mitigated by decrease in operating and finance cost expected to be recorded by the Group for the Financial Year of approximately HK\$1.43 million due to the implementation of cost saving plan.
