**Core Economy Investment Group Limited**

**SUN Bo**

*Chairman*

This appendix serves as an explanatory statement, as required under Rule 10.06(1)(b) and other relevant rules of the Listing Rules to provide requisite information for Shareholders to consider the Repurchase Mandate to be proposed at the AGM.

### **1. Share Capital**

As at the Latest Practicable Date, the entire issued share capital of the Company comprised 167,000,000 Shares.

Subject to the passing of the Repurchase Resolution and on the basis that no further Shares are issued or repurchased by the Company prior to the AGM, the Company would be allowed under the Repurchase Mandate to repurchase a maximum of 16,700,000 Shares (representing not more than 10% of the aggregate nominal amount of the entire issued share capital of the Company as at the date of passing the Repurchase Resolution).

### **2. Reasons for Repurchase**

The Directors believe that the Repurchase Mandate is in the best interests of the Company and its Shareholders as a whole. Such repurchase may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net assets and/or earnings per Share of the Company and will only be made when the Directors believe that such a repurchase will benefit the Company and its Shareholders as a whole.

### **3. Funding of Repurchase**

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with its bye-laws, the Companies Act and any other applicable laws. Such funds legally available for repurchasing Shares include:

- (i) such funds made out of profits of the Company or out of a fresh issue of Shares made for the purpose of the repurchase or, subject to the Companies Act, out of capital; and
- (ii) in the case of any premium payable on the repurchase, such funds made out of the profits of the Company or from sums standing the credit of the share premium account of the Company or, subject to the Companies Act, out of capital.

There might be a material adverse impact on the working capital or gearing position of the Company as compared with the position disclosed in the audited accounts contained in the annual report for the year ended 31 December 2018 in the event that the power to repurchase Shares pursuant to the Repurchase Mandate was to be carried out in full at any time during the proposed repurchase period. However, the Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

#### 4. Share Prices

The highest and lowest prices at which the Shares have been traded on the Stock Exchange during each of the previous twelve months before the Latest Practicable Date, and the current month up to the Latest Practicable Date were as follows:

#### 5. Undertaking

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the powers of the Company to make repurchases pursuant to the Repurchase Resolution and in accordance with the Listing Rules and the applicable laws of Bermuda.

No connected person (as defined in the Listing Rules) has notified the Company that he or she has a present intention to sell Shares to the Company, or has undertaken not to do so, in the event that the Repurchase Mandate is approved by the Shareholders.

## 6. Takeovers Code and Minimum Public Holding

If on the exercise of the power to repurchase Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a Shareholder or group of Shareholders acting in concert (as defined in the Takeovers Code) could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.

As at the Latest Practicable Date, according to the register of the Company kept under section 336 of the SFO, information on the Shareholder who has an interest of 5% or more of the issued share capital of the Company set out below.

Mr. SUN Bo	22,275,000	13.34%	14.82%

*Notes:*

The Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, cause any Shareholders or group of Shareholders acting in concert to become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code. Save as aforesaid, the Directors are not aware of any consequence which would arise under the Takeovers Code as a consequence of any repurchase pursuant to the Repurchase Mandate.

The Directors have no intention to exercise the Repurchase Mandate to such an extent that will result in the number of Shares in hands of public falling below the prescribed minimum percentage of 25% of the entire issued share capital of the Company.

## 7. Share Repurchase Made By The Company

The Company had not repurchased any of its Shares (whether on the Stock Exchange or otherwise) in the six months preceding the Latest Practicable Date.
